SUBJECT: WELCOME ABOARD

I am pleased to have you as a member of FAST Company, Pacific (FASTPAC). You are joining an exceptional command that performs its mission with skill and has great pride in its accomplishments. I look forward to working with you, and am confident you will become a valuable member of our team.

FASTPAC has the unique opportunity to serve as the only Marine detachment assigned to 7th Fleet. This relationship is vital for numerous embassies and subsequent Naval units all over the Pacific. As the ready response force and trained experts, we frequently receive missions unlike many others. We are constantly conducting coordination with foreign nations all over the Pacific, to include Bangladesh, Timor Leste, and the Philippines. When not instructing and coordinating with foreign militaries, embassies, or MSG's, we train in multiple off-island locations. Guam, Singapore, South Korea, and Okinawa offer exceptional training opportunities for platoons of FASTPAC, ensuring our technical and tactical proficiency is second to none. There are an insurmountable number of opportunities to travel, train, and provide expertise all over the Pacific, seize them. Additionally, there are a plethora of activities on base in Yokosuka.

I encourage you to join in the many installation and community activities available to you at Fleet Activities Yokosuka. You can find exciting activities ranging from organized sports, to volunteer opportunities, to weekend trips on a regular and frequent basis. Not many Marines receive this rare opportunity to serve as ambassadors for the American people while still maintaining the tactical proficiency and prowess of a United States Marine. Seize the opportunity you've been granted and do it while you're forward deployed.

Welcome to the FASTPAC Team.

Sincerely,
